## Kit List for Sailing Holidays on Golden Vanity

Your clothing should be in a soft bag, suitable for stowage in a small locker. Bedding is provided on board and so there is no need to bring sleeping bags.

### Passport

Please bring your passport with you, regardless of your planned voyage destinations/duration. If you do not have a passport, please contact our office using the number at the bottom of the page.

### Recommended items:

- Stout footwear, such as walking boots/workboots, or deck shoes.
- Wellington boots or similar (we can lend these to you for voyages starting in Brixham).
- Hats (both for warmth and protection against the sun).
- Swimwear and a bathing towel.
- Sun cream.
- A small torch.
- A towel and toiletries.
- 2 warm jumpers.
- 2 pairs of trousers.
- Several tops you can wear in layers, including a couple with long sleeves.
- Pair of shorts (in summer months).
- Warm gloves, if sailing at night. (We do not recommend the use of gloves when handling ropes.)
- Sunglasses and a spare pair of glasses if you wear spectacles.
- Waterproof clothing (jacket and salopettes are currently available to hire at no charge). Please complete the relevant section of the booking form if you would like to hire boots or oilskins, or phone the office in advance of your voyage.

*Please be aware that there will be very limited opportunities for charging your mobile phone or other electronic equipment and so you may wish to make your own provision for doing so.*

### Diet

We can cater for some special dietary requirements and so please ensure you fully complete the relevant section of our Booking Form if you have particular needs.

### Mobile telephones

In the interests of the comfort and safety of guests, we ask that mobile telephones are turned off and left below whilst the vessel is sailing, during meal times and during briefings. There will be opportunities for you to make calls when the vessel is moored, or when ashore. If you need to remain contactable at other times, please inform the crew.
