TERMS & CONDITIONS

Conditions of Booking

Voyages may be provisionally reserved for a period of up to two weeks after an initial enquiry is made. A provisional reservation means that we will endeavour to reserve that voyage for you; however, a provisional reservation is not confirmed until the deposit of 25% of the total voyage cost is received by Trinity Sailing along with this booking form signed and return to the office. Completion and return of this booking form constitutes an agreement that you wish the booking to be confirmed and that you agree to pay the deposit of 25% of the total voyage cost which is now due. The balance of the total voyage cost is payable two months prior to sailing. In the event that you have to cancel your booking, we will make every effort to find a replacement, in which case any deposits and balances paid by you to Trinity Sailing will be refunded (less a £25 admin fee). If we are unable to find a replacement, any monies paid by you to Trinity Sailing will be retained and any deposits or balances that remain due under these Terms and Conditions must be paid immediately, this includes voyages fully or partly funded by Trinity Sailing. Sail Training groups that cancel at short notice will be liable for the full cost of the voyage. We advise that you have appropriate insurance that provides cover in the event of cancellations. We reserve the right to cancel any voyage. If this proves necessary, any deposits or balances you have paid will be refunded and Trinity Sailing will have no further liability whatsoever. We will not be responsible for any delay, curtailment, changes to itinerary, alterations to travel arrangements or any associated costs due to weather conditions or operational reasons beyond our control. Bookings are subject to the provisions of the Athens Convention. You may make a reservation by post, telephone, or email. Payment can be made by cheque, payable to 'Trinity Sailing', BACs transfer to 52-10-18 10066047 or by credit or debit card.

Itinerary

The majority of voyages have no fixed itinerary, which given the vagaries of weather is the best way to go sailing. We will aim to achieve the specified departure point, arrival point and any intended itinerary, but cannot guarantee that we will do so. The weather, and particularly the direction of the wind, is the main determining factor. For reasons of safety and comfort, the skipper has the responsibility for taking the final decision on destinations, based on conditions at the time. The decision of the skipper or in his absence his delegated representative will be final. All matters arising from voyages shall be subject to English law and jurisdiction.

Insurance/Healthcare

It is advisable to have your own insurance to cover against cancellation, loss of personal effects, personal injury, medical expenses, etc. Please ensure that the policy you choose includes cover for sailing outside of UK territorial waters (more than 12 nautical miles offshore). In case medical treatment is required abroad please ensure that you have a European Health Insurance Card (EHIC) for voyages that may involve ports of call outside the UK. There is no bilateral healthcare agreement between the UK and the Channel Islands. Anyone travelling to the Islands, will be required to pay for medical treatment should they become ill or injured. Visitors from the UK are advised to arrange for adequate travel insurance in advance.

Health and Fitness

It is a condition of booking that all clients have a level of health and fitness that will allow them to enjoy a voyage in a sailing vessel, sometimes in unpredictable conditions. You must fully disclose all medical conditions and details of all/any medication each take, including dosage. Failure to declare information relevant to medical fitness and/or their ability to cope with conditions on board may result in individuals not being allowed to sail and/or continue with a voyage, if the skipper feels that their safety, or the safety of others may be put at risk. No refunds or travel allowances will be given if you have to leave the boat for this reason.

Every person on board should be capable of climbing a two metre vertical ladder, unaided, and able to don and fasten a lifejacket once instruction on fitting has been received. In certain circumstances Trinity Sailing may provide a letter to be signed by a physician, confirming that the guest is medically suited to sailing with us. In such cases no booking shall be confirmed for that individual until the signed letter is received by Trinity Sailing. In the event of no signed letter being received this will be considered a cancelled booking and treated as per section 1 (above).

Other

The price includes all meals on board, fuel and harbour dues. We regularly take pictures for use in promotional material, including our website. If you, or any member of your group, does not wish to appear in any such photographs, please let us know prior to your voyage. It is the school's duty to ensure parental consent for each young person taking part in the voyage. Each person on board is required to provide some form of identification, ideally a passport, and bring this with them. If they do not have one they will need to bring a suitable alternative such as birth certificate or student ID. If none of these details are available please contact the office as soon as possible to discuss a resolution. NB. If a child is coming in a group, with a leader or teacher, it is the adult's responsibility to look after these documents for the duration of the voyage.
